

ASSOCIAZIONE CENTO PITTORI VIA MARGUTTA

Piccoli virus

Dear children,

My name is Luigi Salvatori and I'm the President of the historic "Hundred Painters Association Via Margutta", based in Rome, Via S. Agata Dei Goti 4 (tax code 80275350587).

I would like to share an idea my daughter Emanuela had, just for fun, and which was then developed by the Director Antonio Servillo and approved by the entire Executive Council of the Association.

The idea is aimed at all children from all over the world and consists in a drawing exhibition.

The children of all ages up to 13 years are invited to participate.

The theme is:

"SMALL VIRUSES

DRAW THE VIRUS, this invisible little monster. As we imagine it. "

Send a drawing, a painting, a sketch, by any means of expression

(pencil, marker, colors, tempera etc ...)

The drawings will be published on a web page of our website www.centopittoriviamargutta.it

The idea starts as a game. Later, subject to your consent, we aim to collect all the drawings and place it initially in a virtual gallery and then in an exhibition to be organized in Via Margutta in Rome.

We will also involve the national authorities, the Municipality of Rome and of the Latium Region.

The exhibition has the exclusive purpose of raising funds for research to combat COVID-19 or prevent other forms of epidemic.

Children from all over the world can participate.

Send the drawings for WhatsApp to this number **(+39) 345.4876997**

or e-mail piccolivirus@centopittoriviamargutta.it.

indicating the author's name, age and school, with a WhatsApp reference number or an e-mail address to be contacted later.

The drawings must be sent by one of the parents or by the operator of the parental responsibility of the children, authorizing the Cento Pittori Via Margutta Association to process the data pursuant to law 675/96 (Privacy law) and subsequent amendments D. Lgs. 196/2003 and Legislative Decree 101/2018 (Privacy code) for the exclusive purpose of this initiative.
